

Minutes from Friends of Atascadero Lake Board Meeting September 15, 2015

Present: Nancy Hair Paul Murphy, Jon Trumbull, Don Lynge, Joni Walter, Olan Kaigel. Guests: Chris Walter, Chase Gross (and son Levi)

- Meeting called to order by Paul Murphy and Paul introduces Chase Gross, electrical contractor
- Chase presented to the board a bid to install an electrical pole and panel that would come from the main PGE pole (15' run) to another pole which will house a "rain tight" 100 amp panel. Chase explained that this work needs to be done, inspected and approved by the city, before PGE will "power up" and connect the 100 amp panel. His bid is for \$543.00. Chase reduced the bid by \$100 as his donation to Friends of Atascadero Lake. Thank you Chase! This bid does not include the 50 amp run from the new pole to the well. Nancy Hair moved that we accept the bid and it was seconded by Paul Murphy and all approved.
- Treasurer's Report August/Joni Walter: We had a balance of \$32636.56, we added from the GoFundMe \$206.87, we spent \$3,132.46 for our participation in the Chamber Expo on September 17th and our PGE deposit. This left us with a balance of \$29,710.00.
- Business Expo/Joni Walter: We are all set
- Paul Murphy had a meeting with John Shoals of PG&E regarding future grants from PG&E. PG&E cannot give to capital projects, but they might be able to help us in other ways. He seemed very interested and receptive about our Mission and improving Atascadero Lake.
- Well to Lake Pipeline/Don Lynge, Paul Murphy: After all utilities came out to mark their underground utilities we found out that there is an existing main gas line that in spots is right where we wanted to lay our pipe. You cannot run a water line within 5 feet of a gas line. We have revised our plan, re- marked the road, 811 has been called again and now we are waiting for the city to come out and give their input and approval for the new plan. We will need new engineering drawings, but need approval from the city first before we move ahead.
- Colony Days Parade is October 18th/Bob Edmonds. We have an idea of what we want to do. It was agreed that it is important to have something so we will draw attention to our group
- Lake Perimeter Clean Up/ All set for 10/24. We agreed we will provide a simple lunch of hot dogs, chips and drinks to the volunteers.
- Kiosk/Don Lynge: All the materials have been purchased and we will be having a work day soon to put it together and deliver it to its new site in the Lake Park.
- Lake Fest/Don Lynge: We want to have a "Lake Fest" to celebrate the lake. We think the 4th of July could be a good date. We want to involve the city and other organizations and plan a very family oriented day with games, music, food, and water fun (peddle boat races, stand up paddle board races, etc).

Respectfully Submitted,
Nancy Hair, Secretary, Friends of Atascadero Lake

The annual Atascadero Creek Clean Up is Saturday, September 24th. Meet at city hall at 8:30, bring gloves, and wear sturdy shoes and a backpack for your water. Help keep our waterways clean!
