- Approval of the November 14, 2018 Board meeting minutes
- Treasurer's Report, Olan Kaigel: Beginning balance of \$17,020.24, deposit of \$70.00, expenses of \$1000, leaving an ending balance of \$16,095.63.
- Well Report, Bob Edmonds: The well is now off. We did have Filiponi and Thomson out to look at the well as it was shutting off. There is plenty of water but seems to be a problem with the electrical or pump itself. Before the well goes back on next year we will have them back out to make necessary repairs to make operational.
- Tamale Festival, Nancy Hair: We are very fortunate to be participating in the Tamale Festival to be held January 19th 11:00 – 5:00 by selling the tickets for the alcohol sales. This is an opportunity for us to earn much needed funds for future projects. We will be sending out a call for volunteers. We will have 3 sale tables with 2 shifts each of a minimum of 4 people each shift. Set aside the date. It will be super fun for all! Please see attached flyer.
- Lake Perimeter Signage Report, Michelle Harms: Michelle has been working hard and now has the total overview with photos and some copy for all 10 signs that will be made. She is involving The Historical Society, local native tribes, Native Tree Association and hopefully the Zoo. We did a walk around the lake for sign placement that corresponds to each item on or

surrounding the lake that is mentioned in the sign. We will contract with Premier Sign Company of Paso Robles who is also helping with layout.

- LakeFest, Nancy Hair: We have our band!!! The local band The Long Shots will be playing throughout the day. We are very excited to have them and are grateful for their participation. LakeFest will also have Woods Humane Society doing some sort of fundraising activity to raise awareness of their new North County Spay and Neuter Clinic.
