

Minutes from the August 22, 2017 Friends of Atascadero Lake Board Meeting  
Present: Paul Murphy, Jon Trumbull Olan Kaigel, Nancy Hair. Absent: Don Lynge, Bob Edmonds, Julie Harrison, Barbara Combs

- Approval of the July 18, 2017 Board Meeting minutes
- June Treasurer's Report, Olan Kaigel: Beginning balance \$13,128.17, expenses of \$4,163.92 (insurance and electrical) leaving an ending balance of \$8,964.25.
- Chamber Summer Barbeque, Nancy Hair: We made a profit of \$1,122.24. We were able to partner with The Veteran's Memorial Foundation again this this and it is always a pleasure working with them. 466 dinner tickets were sold between the two organizations. Again, thanks to all who supported Friends of Atascadero Lake, and those who came out to help us serve and clean up. We really appreciate you!
- Algae and Pipeline Repair, Solar: Paul Murphy: All permits have been submitted by the city and they are waiting for the final approvals. This is great news for next year in case the lake needs immediate attention. The city is also working on the repair under San Gabriel Rd. The pipe has already been cleaned downstream of San Gabriel. They will also be repairing the pipe closer to the intake. This will help insure that there is a continuous flow of water into the lake during the winter months. Thank you City of Atascadero. A solar system for the well would cost around \$38,000 and the array would be 20' x 50'. It is too expensive and too invasive to be placed on private property.
- Lake Perimeter Clean Up, Jon Trumbull: Jon has sent an email to Bob Joslin requesting a date and city support. We are waiting to hear from the city on this.
- Dancing With Our Stars: The 2018 show dates are: March 22, 23, 24. We are very excited about our participation in this amazing event. A \$10.00 donation gets our dancer one vote. We will be sending out more informative emails on how you can cast your vote. If you have ANY fundraising ideas, please let us know.
- Friends of Atascadero Lake entered a contest with SPOKES for non- profits and won two hours of consultation. We will use the time to talk about potential grants.
- We are going to change our next board meeting to September 26<sup>th</sup>

Friends of Atascadero are reaching out to you to ask that you become more involved. We are looking for new board members with fresh ideas and energy. Our small board has accomplished a lot, and there is more work to be done. Please consider a deeper relationship with our organization. There are many of you who can bring so much more to our table!
